Checking out the donated boats in Penticoff's Boat Yard at the April Club Meeting.

After viewing the boats, we held some brainstorming discussion as to how we might utilize them for RYC purposes. Keeping on in a slip on Lake Mendota for lessons and daysailing rental was considered. Further research into liability and maintenance costs will be needed to determine feasibility of such a venture. The idea was put forth as a possible means to attracting new members and promoting continued participation by current members who've aged out of hauling and setting up their own boats, or those who wish to maximize family time on the water.

Flotilla and event dates were also discussed, with June 12th chosen as our annual Taste of Sail at Pierce Lake. Other flotillas pending.
