# The Bullship Log

---

Monthly Meeting  
Harlem Township Hall  
Monday - Apr 18 @ 7:00 p.m.

## Commodore's Corner

Ahoy mates,

Thanks to all eleven of us who came out for a very chilly Adopt A Road kick off on Saturday April 9th. Rockford Yacht Club is so amazing this way. People come from far away to pick litter out of the snow – without complaining (much) and hustle through the job and go off for a good time having breakfast.

Bill & Marty Siegworth, Marty & Linda O'Connor, John Kochanski, Bruce Lombardi, Kevin Wenzel (Claudia stopped by the restaurant too), Preston Aylesworth, Brian Black, and of course Allen & Ruth Penticoff were the many hands to make light work. We had a number of bags of trash, a barrel full of plastic and glass bottles, and a half bag of smashed up aluminum cans to recycle.

A week later it is in the 70s! Yea. Some of us will be getting our boats wet at Pierce Lake this weekend, April 16, and I'm sure the rest of you are yearning to get out as well. Blow the dust off and get 'er out.

See you at the meeting.

Commodore Allen

We saw an abundance of strutting Tom Turkeys, doing their best to impress the hens. Oddly enough, the same behavior seems to work at the restaurant.
