
The Bullship Log

Monthly Meeting
Harlem Township Hall
Monday - May 16 @ 7:00 p.m.

Preparations & Provisions:

Nancy Olson will present a summary of knowledge gleaned from seminars she attended at Strictly Sail 2016, along with ideas from personal experience and past seminars. Having previously organized groups to attend the Milwaukee Women's Sailing Conference, she is well-respected for her creativity and attention to detail. Nancy and Ray, as tenants and members of the Racine Yacht Club, have gained a wealth of experience sailing their Hunter34 along Lake Michigan. This will surely be an interesting and informative program for all, so please join us at Monday's meeting.
