Monthly Meeting  
Monday - Aug 120 @ 7:00 p.m.  
Harlem Township Hall

Ahoy Sailors!

Change of Plans.

As sailors we need to be flexible with our plans, optimistic that the weather will be good, and spontaneous. At the last meeting plans changed to go to Kenosha instead of North Point because of more things to do in Kenosha, a member's boat in Kenosha and a more manageable sail for trailer sailing from Racine to Kenosha. On Saturday July 21<sup>st</sup> we had small craft advisories and high wind and waves on the lake that lasted through late Sunday the 22<sup>nd</sup>. So plans changed again. A new day was set to go on the weekend of 8/24- 8/26 staying in Kenosha on Saturday night. Plan on coming to Kenosha on Saturday night. There is live music and a Barbecue Saturday night in town.

So for sailing success – Plan a day to go, hope the weather is great, have your boat always ready so that sometimes you can just say – Today is a nice day. I'm going sailing!
