Meeting Program: Bruce Lombardo will present a short talk with pictures. The topic is Bruce's experience attending the Racine Yacht Club's Adult Sailing Class. The January meeting is a good time to present it because registration for the class starts in late winter. Racine Yacht Club says the class fill up early.

A field trip to Melges Boat Works in Zenda WI was discussed. It was decided that Allen would attempt to set up the trip for January 26th, 2019. Hopefully, we will get an update at the upcoming meeting.
